

Arizona Court of Appeals Pro Bono Program Sign Up Form

I am interested in volunteering to participate as a pro bono attorney in the Arizona Court of Appeals Pro Bono Program. I understand that the Program provides pro bono counsel to pro se parties in selected appeals identified by the court to assist the court in resolving those matters more efficiently. I understand that volunteering for the program does not obligate me to take any particular case but, instead, means I may be contacted from time to time to see if I am willing to undertake such representation for a particular case after clearing conflicts.
